

## EQUIP – MAY 2019

---

*Welcome to Equip 2019.*

*This year's theme has a two-fold element to it: Church Planting, and Culture and the Church.*

*We will have a panel talking about church planting and inspiring us as we look at what advancing the Kingdom could look like in this format.*

*We are excited to have David Guretzki with us from the EFC, talking about how we navigate the cultural landscape well as churches.*

*And of course: updates on the year that was, a look ahead, a time of sharing and communion will also be significant parts of our time together.*

*Looking forward to seeing you in May.*

*In Him,  
Mark*
